## About Property

This open floor plan offers a total of +/- 2200 sq. ft. of living space over two floors featuring 3 bedrooms and 2.5 bathrooms with high-end finishes throughout the home.

The spacious open design of the main floor brings together the kitchen, dining room, and living room where family and friends can come together for meal times, to binge watch the newest series, for celebrations, and create a lifetime of cherished memories. The kitchen has a generously sized island with double-sinks, stainless steel GE appliances and granite countertops. Additionally, on the main level, you will find a dedicated office space and a half bath. Off the main floor is a covered back patio perfect for outdoor entertaining.

Upstairs the spacious master suite is a perfect get-a-way offering a large walk-in closet and a private deluxe bathroom. Two additional bedrooms, one full bathroom, a generous sized utility room, and a study completes the upper level of the home.
